- Parents are welcome to observe RAD Classes on Day 2 of the Winter Workshops
- Parents are welcome to select a class to observe on Day 3 of the Winter Workshops
- Due to still being in orange we invite you to watch one of your child's classes instead of a presentation/showing. This is an option on either the second or third day and please let us know which and when. Parents will be given the opportunity to take photos and have books signed by Leanne and other tutors
- Please note that RAD classes do not run on day 3 of the workshops but private coaching is able to be booked with Alison Pond on this day.
- Please note that on day 3 due to Orange level restrictions inter f-inter contemporary will finish at 6:30pm
